Definitions:

- a) **Income** – means the total annual income from all sources for all members of the household or family. This does not include the income of family members under the age of 18 or the income received for the care of a foster child. Income includes but is not limited to compensation for employment services, interest and dividends (taxable or non-taxable), pension benefits, rent, unemployment compensation, welfare payments, and disability income, support payments and asset income defined herein.
- b) **Asset Income** – applies when the household's total net family assets exceed \$5,000. The greater of the actual income derived from assets or a percentage of the value of such assets based in the current passbook savings rate as determined by Housing & Urban Development (HUD) will be used as asset income. (Currently 2%)
- c) **Family** – Two or more of usually related persons living in one household and under one head of household.
